

Greetings Millington Primary Families:

I am so very humbled, honored, and blessed to have been selected as the Principal of Millington Primary School! I look forward to leading our youngest Trojans alongside an extremely dedicated staff and a supportive school community. I am grateful for all the amazing educators, leaders, and mentors I have worked with over the years who have impacted me in education, and I plan to utilize my skill set to carry out the vision and mission of MPS. I plan to continue the growth trajectory of MPS to ensure all our Trojans are equipped with the foundational skills to be readers, writers, and problem solvers. Together we will create lifelong learners in a positive, fun, and nurturing learning environment while empowering students with the skills necessary to become successful, responsible, contributing citizens in our society.

I am committed to providing opportunities for parents and the Millington community to engage in our school community and build upon the amazing climate and culture at MPS.

As we begin this next chapter together, please know that my door is always open and I value your feedback. I'm ecstatic for the 2023-2024 school year and look forward to the journey ahead.

Respectfully,
Natasha Perkins
Millington Primary School Principal
